At least seven (7) days prior to the trial date status conference, the parties shall file a joint case status report setting forth the information described below. If

the parties disagree as to the information to be provided, the report must set forth their different responses. The joint status report shall contain:

- (1) Nature of the Case: Set forth a brief description of the action, identifying the parties, all counsel of record, the relief requested, any affirmative defenses and any relationship the case may have to other pending actions.
- (2) Motion Practice: Are any motions, dispositive or non-dispositive, pending? If so, briefly describe the motion. Explain if additional motion practice is necessary before the matter is ready to be tried.
- (3) Settlement: Describe the status of settlement negotiations. If the parties believe a court supervised settlement/mediation conference would be of assistance in resolving the case or narrowing disputed issues, please state.
- (4) Trial: State whether the case is ready for trial. If not, explain why. Set forth an estimate of how long the trial will take and whether the case is jury or non-jury.

Requests to extend the above cut-off dates may be granted upon written application, made prior to the cutoff date, and showing good cause for the extension. Application for extensions should be made to the Magistrate Judge. Joint or unopposed requests to extend the deadlines set forth in this order need not be made by formal motion, but rather may be sought in a letter to the court. Letter requests must detail good cause for the extension and propose new deadlines.

The Court requires that should any discovery dispute arise between the parties that a letter be sent to the Court detailing the dispute prior to any motion practice.
